

Justin Hsu
EEC 170 Lab 1
4/17/25

The image shows a terminal window with a dark background. At the top, there is a menu bar with the following items: PROBLEMS, OUTPUT, DEBUG CONSOLE, TERMINAL (which is highlighted with a blue underline), and PORTS. On the far right of the menu bar, there is a tab labeled 'Venus Terminal' followed by standard window control icons (plus, minus, maximize, close). The terminal area contains the following text:

```
-----  
Starting program C:\Users\Justin\Documents\School\2024-2025\Spring Quarter\EEC 170\EEC-170-Labs\lab1.S  
Welcome to EEC 170, Spring 2025  
X = 130  
Y = 15  
X-Y = 115  
  
The character a appears 5 times in the string --- The goal of this lab is to learn RISC-V Assembly Language  
  
Thanks. We are done.  
  
Exited with error code 0  
Stop program execution!  
-----
```

A white cursor is visible at the bottom left of the terminal window.
